DETAILED ACTION

Claims 1-15, 18, and 20-32 are allowed.

Drawings

The replacement drawing sheet (see page 9 of the remarks section in the amendment of January 12, 2005) was NOT received and/or properly scanned into the file. However, this drawing sheet would be approved if the drawing is similar in description to that of the applicant's description set forth in the 2nd full paragraph of page 9 of the remarks. Whether or not the "replacement" drawing sheet is only a "marked-up" sheet or a "clean" sheet, a formal replacement drawing is required in response to this Office Action, since a copy of the "replacement" drawing sheet has not been scanned into the file.
